Camp Philosophy, History and Staff

Our summer day camp provides a safe environment for children to learn valuable skills and make new friends through programs that are challenging, educational and fun. Our goal is to create a space for young people to learn how to work together as a team while gaining confidence in their unique abilities as individuals and to encourage an awareness of the environment and an appreciation of nature. Through games, sports, field trips, nature hikes, special events, swimming, arts & crafts and water activities, the children are given the opportunity to learn, explore and develop the sense of wonder and adventure that create memories for a lifetime. We comply with the regulations set by the Massachusetts Department of Public Health and are permitted by the Mashpee Board of Health. Mashpee Rec summer camp has been in existence for over 20 years. Each counselor is certified in CPR and First Aid and must successfully pass a comprehensive background check including fingerprinting, CORI and SORI checks prior to employment. We have our own lifeguard dedicated to just our campers and a low counselor/camper ratio of 1:10.
