Point Construction & Strategy

An intense, performance-driven training experience designed for players committed to breaking through to 4.0. This Boot Camp requires a 3.5+ DUPR rating or approval by a Straight-Up Coach, ensuring the Camp is competitive and focused on higher-level play. With a 4:1 student-to-coach ratio, you'll be challenged to: (1) refine shot selection, (2) learn effective partner-based strategies, and (3) implement offensive attacking to consistently win points against stronger opponents. This camp is for players ready to be pushed, coached, and held to a higher standard.

PICKLEBALL COACHING

Breakthrough Bootcamp

This focused and fun Boot Camp zeroes in on the serve and return—the shots that quietly decide who plays offense and who plays defense. The session begins with an on-court assessment and video review to identify patterns and tendencies in your first two shots. You'll then train intentional depth, placement, and pace to immediately pressure opponents and set up stronger third and fourth shots—these balls don't end rallies, but they dictate them. The session finishes with a final assessment so you can see—and feel—the breakthrough.

Notes: Appropriate for intermediate and advanced players who will be grouped by experience level. Those new to the game should take “Learn to Play Pickleball.”

Location: Mashpee Pickleball Courts, 162 Ashumet Rd.

**Please visit Mashpeerec.com for dates, times and fee.*

Competitive Edge Clinics (May-June)

COMPETITIVE EDGE RESET & RECOVER

When your team loses control of a rally, the ability to reset and recover keeps you in the point and shifts momentum back in your favor. This clinic breaks down the different types of resets used to neutralize pressure and regain control based on the shot you receive and your position on the court. Successful resets don't just extend points—they set you up to win them.

COMPETITIVE EDGE: DROP, DRIVE, DOMINATE

A high-energy 90-minute clinic focused on mastering the drive-drop combination and knowing exactly when—and why—to use the strategy. You'll learn how to apply pressure with controlled drives, followed by effective drops, and defend against the same tactics when opponents use them. Through focused drills and competitive play, you'll build smarter shot selection, stronger transitions, and the ability to dictate points instead of reacting to them.

Location: Mashpee Pickleball Courts, 162 Ashumet Rd.
